

How to register for Tryouts on Sign Up To Play

Each player needs to register on the Sign Up To Play (SUTP) website. This SUTP website enables us to manage our tryouts in an efficient manner. It also allows us to create a rosters for administrative purposes and for National Tournaments such as the Colorado Crossroads National Qualifier Tournament. USA Volleyball administration, Flatirons Administration and college coaches will have access to the information you list on your profile.

Follow these instructions:

Go to www.signuptoplay.com

Create an account: "click here"

Type of account you want: Junior member

Complete the information on this page

Click "Find Me"

If you played in the Rocky Mountain Region last year, your profile will appear.

If you are new to the Rocky Mountain Region, you need to create a login.

Complete or update the information on this page. Click "continue"

Complete your information. Fill in every space. Click "continue".

Complete or update your guardian information. Click "continue"

Create your user name and password. Click "Finish"

Close the window.

Logon using your new user name and password (be sure to keep them in a safe place).

Click on "My Info". Make sure everything is complete and accurate. Click "Save" (top of page)

Click on "My Club" or "Club Info". This is where you choose Flatirons Volleyball Club. **Be sure to click "Save"**.

You will get a message that says "The club director still has to accept you into the club. You will not have full access to club info until you are accepted". You will be accepted.

That's all . . . That's it . . . You're finished!
