Club Volleyball Scholarship Opportunity

Colorado Volleyball Charities, a non-profit organization, was started to assist volleyball families whose lives were affected by tragedy. We raise funds through volleyball tournaments in Northern Colorado.

We are very happy to announce that we are again offering scholarships for club volleyball players for the 2021-2022 year. Previous to taking a break for the pandemic we awarded 5 scholarships worth \$4,000. Luckily, we had some great donors even though we weren't able to put on our fundraising tournaments. Scholarship amounts will vary upon need and the quality of the application. Any player participating in club volleyball for the year is eligible to apply.

Scholarship recipients will be determined by a 3 member panel which do not have any association with any club within the Rocky Mountain Region.

Interested parties should contact us at coloradovolleyballcharities@gmail.com for an application.

Applicants must also include a copy of your letter of recommendation from a teacher, coach, or club director. Applications must be submitted by January 7th, 2022. Decisions on distribution of scholarships will be made within the next couple weeks after that. Recipients will be contacted by email after that and our goal is to get scholarship checks out to the club by the end of January. **Payments will be made directly to the players club.**
